The next day, Scott sat outside the house. White Fang watched him. Scott began to speak. White Fang _____ (1), but Scott did not move. He spoke _____ (2) for a long time. White Fang stopped snarling and listened to the sound of the god.

After a long time, the god got up and went into the house. When he came out, he sat down in the same place. He had some _____ (3) in his hand. White Fang's ears stood up and he looked at the meat. It was good meat, but he did not go near it. He was _____ (4) of the god.

Then the god threw the meat on the snow at White Fang's feet. He smelled it carefully but he did not look at it. He watched the god. Nothing happened. The god did not get up, and he did not _____ (5) him. White Fang took the meat and ate it.

The god showed him some more meat in his hand, and again White Fang did not go to him. Again the god threw it to him in the snow. The god _____ (6) this a number of times. But then he did not throw the meat to him. He only showed it to him in his hand. The meat was good, and White Fang was _____ (7). Slowly, he went near the hand and then he took the meat from it. His eyes never left the god's face, and the hair on his neck stood up. He ate the meat, but nothing happened.

He waited. The god talked again, quietly and warmly. Then he put his hand lightly on White Fang's _____ (8). White Fang felt very afraid, but he also felt happy. He hated the hand, but he liked the warm sound of the words. He snarled, but he did not bite the hand. The god stroked White Fang's head lightly again and again. White Fang began to _____ (9) it.

B) Connect the two halves to form sentences. (*Poveži polovici, da dobiš smiselne povedi.*)
